

GOLF CANADA NATIONAL ORDER OF MERIT

The Golf Canada National Order of Merit is used to identify and give recognition to top performing junior golfers across Canada who have achieved success in the golf season. The tournaments selected represent the top events with the strongest fields possible. The Golf Canada National Order of Merit is based on those tournaments that represent an extremely high standard of competition. A point system will be used based on the scores and results of the players in the approved tournaments in order to objectively rank each individual's performance.
