

JUNIOR GOLF SCOREBOARD

The Junior Golf Scoreboard system is based on a formula that reviews a player's record in 36-hole or longer tournaments over the last 365 days. Tournaments drop out of the calculation after one year. A player must have four events within the year to be ranked.

All CJGA events on the Junior Tour are ranked on the Junior Golf Scoreboard. For more information, please visit <http://www.juniorgolfscoreboard.com/rankings.asp>
